

■ Cyber Chip Award ■

To help keep youth safe online, the BSA offers the Cyber Chip which requires scouts to complete online activities. Rather than requirements being segregated by rank, this program has four grade level divisions.

*Note: All Cyber Chips will expire annually. Each Scout will need to “recharge” the chip by going back to the **Netsmartz Recharge** area. This space will hold new information, news, and a place for the Scout to recommit to net safety and netiquette. Then, with the unit leader, the Scout can add the new date to the Cyber Chip card or certificate.*
